

NutriTutor® Medical and Corporate Wellness Sponsor Price Sheet

Sponsors receive a branded logo visible to all NutriTutor® site visitors *and* a clickable advertisement banner visible to all learning members (two different site locations). We guarantee that your banner is displayed over 110,000 times/month (or over 4,000 times/day). Banner ads are located within *both* the Diabetes Diet Education Program and the Diabetes Self-Management Program. Additional exposure is sponsor level dependent (see options below).

Introductory Specials

30% off monthly contract

Bronze sponsor \$209/month, \$2,508 year

Silver sponsor \$349/month, \$4,188/year

Pay for a year and get an additional 5% discount.

Sponsor Levels	Monthly Price	Annual Price	Ad Banner Size Pixels	Press Release	Branded Logo	Social Networking	Featured Article

Platinum	\$1200	\$13,680	160 X 600	x	x	x	x

Learning members receive web-enabled, customized medical nutrition and lifestyle training of their choice as described below and depending on e-tutorial chosen. NutriTutor® reserves the right to modify public prices in order to compete with the market and to best highlight company sponsors.

Type 2 Diabetes Diet Education Program as described online at <http://nutritutor.net/blogs/public/diabetes-program-descriptions-2/>. This comprehensive diet program is available to the public for \$9.99 or other minimal cost using coupon code NT13000130.

Type 2 Diabetes Self-Management Program: as described online at <http://nutritutor.net/blogs/public/diabetes-program-descriptions-2/>. This comprehensive program is available to the public for \$19.95 or other minimal cost using coupon code NT13000131.

All other NutriTutor® services; including clinician coaching, clinician consultations, customized learning portals, and team communications with medical offices do not fall under the auspices of the Sponsorship Program and are available separately for purchase by learners and companies.
